

Training & Education Committee

FACT SHEET – updated June 8, 2017

Mandate:

- Develop, maintain and upgrade the PHTCC Industry Trade Certification Program on an ongoing basis
- Prepare the Educational program of courses and seminars for presentation at the annual Canadian Pool & Spa Conference & Expo
- Promote training opportunities through PHTCC Chapters

Objectives:

- Increase the level of technical capability within the aquatic leisure industry in Canada
- Establish forums for education through computer-based training and in the classroom
- Provide recommendations on education and training to the Board of Directors and assist in setting priorities for the Council.

Projects:

- Audit existing courses offered in connection with the Industry Trade Certification Program to ensure accuracy, consistency and appropriate levels of difficulty
- Amend courses within the Program and develop new courses as required
- Review submissions received from the Call for Presentations for the national convention, and provide recommendations to staff
- Identify practiced presenters and create a pool of qualified instructors.

Participation:

- PHTCC member volunteers
- Staff

Commitment:

- Meetings are conducted via conference calls of typically 60-75 minutes in duration. Approximately 8 conference calls are held each year. Committee members may be called upon from time to time to review documents and explore specific issues between conference calls.
